**REPORT AND RECOMMENDATION TO DENY PETITION
FOR A WRIT OF HABEAS CORPUS BY A PERSON IN STATE CUSTODY**

On January 5, 2007, petitioner filed with the United States District Court for the Northern District of Texas, Dallas Division, a Petition for a Writ of Habeas Corpus by a Person in State Custody challenging the result of two prison disciplinary proceedings. On February 1, 2007 petitioner's case was transferred to this Court. For the reasons set forth below, petitioner's habeas application should be DENIED.

NO LOSS OF GOOD TIME CREDITS

In order to challenge a state prison disciplinary adjudication by way of a federal petition for a writ of habeas corpus, a petitioner must, at a minimum, be eligible for mandatory release and have received a punishment sanction which included forfeiture of previously accrued good time credits. See *Malchi v. Thaler*, 211 F.3d 953, 958 (5th Cir. 2000). It is not entirely clear from petitioner's habeas petition whether he lost any previously earned good time credits. On

February 22, 2007 the undersigned Magistrate Judge ordered petitioner to file a Response to Briefing Order and therein advise the Court whether he lost any good time credits as a result of the two disciplinary proceedings. On March 1, 2007, petitioner filed his response and conceded he did not lose any previously accrued good time credits in either disciplinary case. Consequently, petitioner is not entitled to federal habeas corpus relief and his petition should be DENIED.

RECOMMENDATION

It is the RECOMMENDATION of the United States Magistrate Judge to the United States District Judge that the Petition for a Writ of Habeas Corpus by a Person in State Custody filed by petitioner HENNESSEY HUNT be DENIED.

The United States District Clerk is directed to send a copy of this Report and Recommendation to each party by the most efficient means available.
